

GRF Board Candidate Statement

JANET SELDON 2100 SKYCREST DRIVE #8

Janet Seldon

I am eager to serve on the GRF Board as the District B representative because I am deeply committed to enhancing the quality of life in our wonderful Rossmoor community. In recent years, the community's growing distrust and frustration about governance has concerned me. I believe in fostering transparency, accountability and open communication.

Since moving to Rossmoor in 2020, I have been actively engaged in various clubs, including the RAA and the Democrats of Rossmoor. I currently serve as president of Fourth Mutual, now in my third year, after joining the board in 2021 as secretary and serving on the landscape committee. I was on the steering committee of the Rossmoor Lesbian Social Club for three years and have directly experienced the frustrations of the new room-reservation system that still needs improvement.

Professionally, I am a retired attorney with a strong background in nonprofit governance. I served on the Board of the San Francisco Bay Area AIDS Legal Referral Panel for 15 years while in active practice. My legal and leadership

experience, combined with my dedication to our community, will allow me to contribute meaningfully to the GRF Board.

As a new GRF Board member, I recognize there will be a learning curve, but I am committed to actively listening to the residents of District B and addressing the critical issues facing our community. All Rossmoor residents should have a voice in decisions that impact our lives here, and there is much improvement needed in this area. My priorities include improving communication between the Board and residents, advocating for infrastructure enhancements, and ensuring that we have essential services that meet the needs and expectations of our community.

I look forward to the opportunity to serve and collaborate in making Rossmoor an even better place for all residents. Thank you.
